Summer Reading

This is a summer event for all ages to keep kids, teens, and adults reading.

Kids K-5th grade: Summer Reading is an important program to help retain grade level reading during school break and to encourage a love for the library, books and reading. And of course prizes are involved!

YA 6th—12th grade: The Young Adult Summer Reading Program provides both reading and non-reading challenges. Teens fill out a ticket when they have completed a challenge and enter into drawings for a variety of prizes. The reading program helps grow a love of reading and prevent summer learning loss.

Adults 18yrs and up: The adults will be using Goodreads to track entries/comments. Anyone who participates in the June or July programs will also be entered to win a prize at the end of Summer Reading. Check out the adult Summer Reading programs to find more ways to participate and win!
