## Family Friendly Programming

### Summer Reading

Summer reading is for all ages. The first day for tickets is **Monday, June 2nd.**

**Infant—Pre-k:** Includes activities to prepare your child to learn to read.

**Kids K-5th grade:** Summer Reading is an important program to help retain grade level reading during school break and to encourage a love for the library, books and reading. And of course prizes are involved!

**YA 6th—12th grade:** The Young Adult Summer Reading Program provides both reading and non-reading challenges. Teens fill out a ticket when they have completed a challenge, have a librarian initial it, and enter into drawings for a variety of prizes. The reading program helps grow a love of reading and prevent summer learning loss.

**Adults 18yrs and up:** There are participation worksheets each week as well as book review opportunities to earn tickets. Adults love reading too!

### Family Nature Walk

Join Big Horn Canyon Ranger Christy Fleming here at the library on **Friday, June 13 at 11:00a.m.** for a Wyoming Outside Nature walk. Wear your sunscreen, your walking shoes and bring the whole family!

### Dan Crow

On **Wednesday, June 18th at 2:00p.m.** come enjoy Emmy award winning children's musician Dan Crow. He performs internationally and has composed Disney songs for Winnie the Pooh and Dumbo. This is a Summer Reading Program for the whole family.

### Camp Out at the Library

Grab a blanket, a flashlight, put on your pajamas, and come to the Library **Wednesday, June 25th at 5:30 p.m.!** You can make your own reading tent and find a favorite book to read with a friend or sibling. A group story time and s'mores will follow. Please sign up so we can prepare accordingly!

### University of Wyoming Artmobile

The Artmobile will be visiting the Powell Branch Library with the exhibit "What's That? Investigating Abstract Art". Enjoy this exhibit all day **Thursday, June 12th and Friday, June 13th** until 3:00p.m.

## Children Services & Programming

(Children 7 and under must be accompanied by an adult)

### Toddler Time

Come with your toddler to this special library time tailored for little ones each **Monday from 10:30a.m. to 11:00a.m.** This program is for ages 12-36 months. Toddler Time includes music, fingerplays, movement, a story and play time. Siblings are welcome during the summer.

### Story Time

Story Times are held at the Powell Branch Library every **Tuesday** and **Wednesday** from **10:30a.m. -11:00a.m.** Summer Story Times are for all children from pre-school to elementary. You won't want to miss weekly Summer Story Time with an activity or craft.

### Sport Stacking

Come learn, practice and race to improve your Sport Stacking speed at the library. This amazing cup-stacking game will challenge you, and you'll have loads of fun. Held **each Thursday in June** from **11:00a.m.-11:45a.m.** for kids from Kindergarten through 5th grade.

### Robotics Program

Robotics with Zac Opps from the middle school **Wednesday, June 4th at 2:00p.m.** for kids from Kindergarten through 5th grade.

### Experience Some Cool Chemistry

Allan Childs from Northwest College will present this summer reading program for kids K - 5 on **Wednesday, June 11th at 2:00p.m.**

### Artist Trading Cards

This program on **Thursday, June 12th at 3:30p.m.** is presented through the Artmobile. Artist trading cards are miniature works of art that are created with the intention of being swapped. Students, kindergarten—5th grade, will use painting, drawing, or printmaking techniques to create at least three cards to trade and collect with other artists. Students will also create an envelope in which to store the cards they have collected.

### Local Love Artmobile

On **Friday, June 13 from 2:00p.m. to 3:00p.m.** come enjoy another program put on by the U.W. Artmobile for kindergarten-5th grade. Students will be invited to engage in a conversation about what is important about their hometown. Then they will be given the opportunity to construct an additive-process contour drawing which experiments with perspective, expressive color, and spatial representation.

### 3D Printing and Design

On **Friday, June 20th at 2:00p.m.** Professor Robert Townsend will lead this interactive learning experience for children in grades 3 - 5. Please sign up as space is limited to 20.

## YA Services & Programming
