

DESIGN A LOGO FOR THE PARK COUNTY LIBRARY SYSTEM SEED LIBRARIES

The Park County Library System is delighted to announce the addition of seed libraries at all three of our branch locations. We are excited to get growing and are challenging Park county's most creative citizens to compete for the best seed library logo. A successful logo must be distinct, memorable, relevant, appropriate, likable, and scalable from the size of a seed packet to a table banner. Entries should effectively communicate both the Park County Library System brand and the concept of a seed library. There will be a public poll to pick the favorite logo and the staff will announce the winner. Copies of the seed logo contest entries and ballot boxes will be found at all three branches of the Park County Library System.
